

PICTON HAPPENINGS

www.pictonresource.co.nz

11th April 2018

14

Pirate School, 9.00am - 5.00pm Sat 14th to Sun 29th April

'Ahoy there shipmates'... join the Edwin Fox Maritime Museum during the school holidays for Pirate school, a great family day out. Explore the 164 year old Edwin Fox Ship, learn what it was like to travel as an immigrant/convict, take part in a treasure hunt, crafts, dress up, talk like a pirate, knot tying and quizzes. Cost \$5-15. For more information call 03 573 6868.

16

School Holiday DIY Fun, 9 am - 4 pm Mon 16th to Fri 20th & Mon 23rd to Fri 27th April

There will be a different DIY craft or activity each day of the school holidays at Picton Library. Plus, pick up a reading challenge card and go in the prize draw to win a book. Just turn up. It's free. For more info call Picton Library on 520 7493.

19

SeniorNet Drop-in Day, 1pm Thurs 19th April

SeniorNet Marlborough Sounds will be holding a drop-in day at the Linkwater Hall. So, if you have any issues with a laptop computer, tablet or smart phone, bring it along and we will endeavour to sort out the problem. For further information see page 7.

25

ANZAC Day Dawn Service, 6am Weds 25th April

This dawn ceremony commemorates all New Zealanders killed in war and also honours returned servicemen and women. The date itself marks the anniversary of the landing of New Zealand and Australian soldiers – the Anzacs – on the Gallipoli Peninsula in 1915. Thousands lost their lives in the Gallipoli campaign. Among the dead were 2779 New Zealanders, about a fifth of those who served on Gallipoli. The parade makes its way down the High Street followed by a ceremony at the Picton War Memorial.

28

Anglican Church Garage Sale, 8.30am to 11.30 Sat 28th April

Household goods, furniture, books and more for sale at Anglican Church Hall, Nelson Square, Picton

Thank you to the following business and community groups who have donated to the Picton Resource Centre:

Picton Kindergarten

Our new playground

By Jo Huntley, Head Teacher

We are so lucky at Picton Kindergarten to have support from families, whānau and our community, who have worked hard to fund the purchase of our new playground. It has been through fundraising efforts, donations from individual families and local businesses and a massive donation from the Picton Lions club that we will soon have a new playground for our tamariki/children to play on, learn and explore. The playground, particularly the slide, has been very popular to play on.

Skyla (4) "I like the slide because I can slide down it"

Narla (3) "I like sliding and sliding down it"

Ajay (4) "The rock wall is cool"

On behalf of the children and teachers we want to say a specific thank you to...

- All the families who donated items and brought/sold tickets for our raffle.
- Beachcomber Cruises Picton for arranging a memorable boat cruise and donating the money raised to the playground project.
- The Sommerville-Smith and Fuher families for donating generous sums to the project.
- Top 10 Holiday Park for donating a generous amount of money too.
- Picton Lions Club for donating \$2000 for us to put towards the playground.

Ehara taku toa i te toa takitahi, engari, he toa takitini.
Success is not the work of one, but the work of many.

Waikawa Bay School

Student Leadership Group (SLG)

At Waikawa Bay School we have a Student Leadership Group. All year 5 and 6 students are invited to apply for the group by completing a form about their contribution to school life. If you are selected you get a SLG polo-shirt and a badge. You have to attend regular meetings with Mr Lampe to talk about how things are going at school and think about ideas for making the school better. It is expected that you will be available to help other students around school and provide support as it is needed.

We have organised games and activities around the school so far this year to try and make everyone feel included. Mr Lampe also gives us challenges to do around the school. This year the student leadership group is Bailee, Paige, Hayley, Bonnie, Shackleton, Fynn, Leon, Ollie, Mila, Ella, Tiana, Mack and William.

The 2018 Toyota Optimist Nationalsthe full story

By Christel Hopkins

Above: QCYC in the parade by Lamirana Photography

Above: Team sailing fleet inner Harbour by Christel Hopkins

Above: River Hopkins by Lamirana Photography

The 2018 Toyota Optimist Nationals was officially opened on Thursday night with a parade through the centre of Picton and an official welcome at the water's edge. It was a great turnout. All clubs came along in great force and marched with a lot of noise and gusto through the main street, encouraged by crowds along the way. The prize for best performance in the Parade went to Murray's Bay from Auckland. They looked good and could be heard from 3 streets away. The night continued with a big welcome from officials, the college Kapa Haka group and Joe Sullivan at the water's edge. The ceremony was closed off with a 3-2-1 count down and a bang from the QCYC club cannon.

Friday March 30: Burnsco National Optimist Team sailing event

It was a bit cold and bleak in the morning but Marlborough turned it into a cracker of a day. The wind started to fill in around 11 am in Picton Harbour and D flag was raised. Around a hundred Optimists divided over 24 teams hit the water to mill about until the course was set and races started. We had 22 teams from NZ and two from Australia. The level of the team was variable. From Wakatere team having all top 10 or less ranked sailors to teams with sailors ranked lower and no team sailing experience at all. It was great to see the teams improve over the day. Even the inexperienced local QCYC team did very well winning 3 out of 4 races. In the end Wakatere prevailed, the only team winning all their races. Then there was a tie between 7 teams winning 3 out of 4 races. Based on individual race scores Kohi came second and Charteris Bay third. Throughout the day the shore was lined with people watching the racing. They were well looked after by the food and beverages of temporary QCYC beach side Café. A running commentary was also provided. One thing was certain, the sailors and viewers all had a fun time.

Saturday March 31: First day of the main regatta – 2018 Toyota Optimist Nationals

With a light Northerly already present in the morning, the D flag was put up on time and the Open Fleet headed out the Harbour. With not much wind expected the next morning the sailing instructions were already changed to make .

Cont'd

it possible to sail four races on the day. Conditions were tricky, occasional shifty and patchy conditions fooled several sailors. Overall it was a great day. The four races for the Yellow, Blue and Red fleet were sailed without much difficulty. George Lee Rush from Wakatere and Lucas Day of Murrays Bay Yacht club, ending on equal points with one drop after day one.

Sunday April 1: Easter & second day of the qualifiers

Unfortunately, the wind was lacking in the morning after the quick Southerly that went through the night before. Everyone spent the Easter morning ashore in the sunshine with great coffee and food. Eventually the Green and Rainbow Fleet sailed a race in the inner Harbour in front of the club with hundreds of supporters cheering them on. After the Green Fleet race, D flag was raised for the open fleet and the Optimists got towed out to the racing area. Tricky to get a course in with the light conditions but race one got underway. The wind was not favourable to get another race in. The results got mixed up a bit due to Sunday's race. Wakatere sailors taking up places 1-2 and 3 with all on six points after one drop (Harrison Loretz, Joshua Hyde, George Lee Rush). Hot on their heels were Mason Mulcahy from Murrays Bay and several Aussies. The green fleet got another race in in the inner Harbour.

April 2- Optimist Nationals Finals – Day 1

On Monday the Open Fleet was divided into Gold, Silver and Bronze for the first day of the finals. Forecast was for a good NW breeze. Bring it on! D flag was raised in time and Open fleet headed out in a rush. The course was put in the same as the last two days. Races got underway with approximately 8 knots. Four races were sailed in quick succession with the Gold, Silver and Bronze fleets. Fletcher Walters from Australia sailed into first place. Followed closely by Joshua Hyde and George Lee Rush from Wakatere, Auckland. The Green and Rainbow fleet had a scavenger hunt and an adventure sail on the schedule and were rewarded with drinks and Easter eggs. Again an awesome day on the water in the Marlborough Sounds hosted by the Queen Charlotte Yacht Club.

April 3- Optimist Nationals Finals – Day 2 – the decider

The forecast was for some wind. The fleet headed out to the racing area around 10 am. The wind was everywhere: Cook Strait 30 knots, Stephens Island plenty and wind in Kenepuru Sound. It just didn't want to settle where we hoped to sail another two races to close off the regatta. Some waiting around by the sailors and everyone out there paid off and the orange flag was raised, and a Gold Fleet started. But with the wind still not steady the race was blown up. Course reset, and Gold Fleet started again at 12:32 pm. Two races were sailed in the Gold, Silver and Bronze fleet. Bronze had a general recall and had to start with Black Flag on their second race. The final placings first and second were taken up by sailors from Australia; Fletcher Walters with a good lead on Daniel Links. Third Place is George Lee Rush, only one point behind. Fourth and fifth were Joshua Hyde from Wakatere and Amelia Angus from Kohi. Amelia also scoring best girl. The local QCYC sailors in Open fleet not performing as expected after the qualifiers not getting some of the sailors into Gold. Louie Poletti ending 28th in Silver. Brothers Hopkins, River and Moss ending 11th and 13th in Bronze fleet. River getting a first in his last race and Moss getting third in his age group overall. The green fleet was won by Blake McKinnon from Kohimarama and the Rainbow Fleet by Zeudi Pearse from QCYC. The enthusiasm of the upcoming sailors was a joy to watch.

The regatta was AWESOME! QCYC, Picton & Marlborough community are definitely winners! They have helped to create some great memories for hundreds of people sailing and exploring Marlborough. QCYC would like to thank all the people who made it all happen.

Picton Library

By Helen Devlin

The fences are coming down!

Outside work on the building is progressing well. The paving is done, so access to High Street parking is back. The landscaping and planting is looking fantastic. The parking area behind the library is almost complete.

One of the many benefits of our new building is more space for display and comfortable reading areas. Check out the magazine area on the mezzanine. Current issues of magazines are now on display for up to a month, so that you can drop in and read them in the library, or put a hold on the ones you want to borrow.

We have reviewed titles and added some interesting new ones.

Our new titles:

Sailors welcomed to Picton

Last Thursday Councillor Nadine Taylor welcomed sailors from around the Pacific to the 2018 Toyota Optimist National Championships in Picton.

Nadine told the crowd the event promotes positive competition, excellent sailing skills, friendship and comradery.

“Council is a strong supporter of the Queen Charlotte Yacht Club and was very pleased to support this event. We’re supporting the Club in its plans to build a new clubhouse on the Shelley Beach waterfront – because sailing clubs like Queen Charlotte are incubators for our sailing champions of the future.”

Planning for the decade ahead – feedback wanted soon

The Long Term Plan (LTP) outlines Council’s financial assumptions and shows our programme of activities and spending for the next decade. It has detailed information about spending over the next three years as well as the outlook for the seven years after that. The 10-year plan is formally reviewed every three years and the budget underpinning that plan is currently under review.

A consultation document setting out the main points will be available from Friday 13 April and you will have the opportunity to make a submission.

Antenno keeps you in the loop

Have you downloaded our new mobile app Antenno? Antenno immediately notifies users of any relevant information without the need to search Council’s website or its social media channels.

Antenno is used to inform you of water shutdowns, sports ground closures, sewer outages, local road closures and changes to waste and recycling collections.

In today’s busy digital environment, information overload means it’s easy to miss out on something important, like an urgent water shutdown that affects your property. Antenno puts the information at your fingertips. Free to install and use, Antenno is available on both Apple and Android smartphones and no personal information or log on details are required.

Users simply save the locations they want to be informed about, such as their residential address, workplace or school. When we post an update relevant to this location, you receive a notification.

PICTON'S GREEN SCENE

What will you put your fruit and veges in at the end of the year when plastic bags disappear?

Most of the supermarkets now have a good selection of washable bags in their fruit and vege departments. I have tried them all and give them a big tick. Make your own out of old net curtains, very lightweight or use your old bread bags but be careful of the bar code. Send me your ideas. I would love to hear them.

Brought to you by Linda Thompson of Plastic Bag Free Picton and Picton Smart & Connected Environment working group.

Picton Heritage & Whaling Museum

The museum has an interesting display of Bicycles one of which is the Dursley Pedersen Cycle. This is a two speed Cycle made in 1904 which was imported and donated by a local doctor Dr William Redman. Do come in, have a look and read up on the history of this Cycle.
