Conservation Kids clean up Bob's Bay!!!

Last weekend on Sunday as part of the Conservation Kids me and my family took part in the Bob's Bay clean up. Lots of people from Blenheim came through and helped. We picked up heaps of rubbish, most of it was hidden in the bush. Things like plastic, beer bottles, cans, old fishing line and even an old rubbish bin. I think we should be cleaning up lots of bays so it helps to protect both wildlife and sea-life. It would be great to see lots more Picton families getting involved, you can follow Conservation Kids on Facebook and find out when the next clean up is happening. So I'll see you there.

PICTON'S GREEN SCENE

I have the answer to recycle bins on windy Tuesdays in Picton after I walk the streets and find their contents all over town. These contents end up in the stormwater drains and out in the ocean. We are the oceans biggest polluters.

Idea of the Week

Lets get all the kids painting a big rock. Every household has one. Use it every Tuesday on top of your recycling. If we start this up I will make sure our collectors treat these rocks with care and the love they deserve. Then we will have a street competition to see who has the most gorgeous rocks. Are you in? Email me when your street is in on the action.

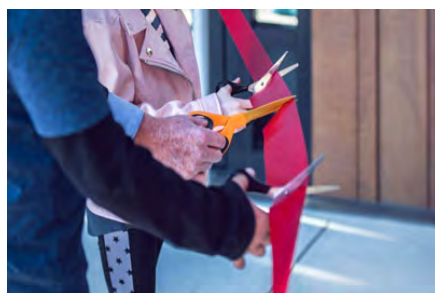

Brought to you by Linda Thompson of Plastic Bag Free Picton and Picton Smart & Connected Environment working group.

Rates impact reduced with Long Term Plan decisions

After considering 305 written submissions and hearing 30 hours of verbal presentations from over 100 members of the public, Councillors agreed the ten-year budget priorities on Monday.

Once final funding calculations are confirmed, the rate increase proposed in the Consultation Document is expected to be reduced by over 0.5% to approximately 4.3% for the coming 2018/19 year.

Mayor John Leggett said it had been a challenging but rewarding process.

"I'd like to thank everyone who made a submission or came and spoke to us in person. It was a broad range of the best of Marlborough – some great ideas, some innovative thinking and also plenty of realism from people who clearly understand we do not have enough money to help everyone."

"There was strong public support for the projects proposed in our Consultation Document," the Mayor said.

Councillors agreed to fund:

- investment in core infrastructure: water, wastewater, stormwater and roading, and to meet the requirements of the NZ Drinking Water Standards
- a multibeam survey of the Pelorus Sound/Te Hoiere seabed
- increased environmental science and monitoring activities over the next three years
- the Proposed Regional Pest Management Plan 2018 and Biosecurity Strategy over the next three years
- relocation and expansion of the hazardous waste centre
- the Marlborough Kaikoura Trail and Link Pathway
- economic development, labour attraction and destination management
- the Marlborough regional film office

Subject to further consideration, Council also agreed to invest in:

- Te Ao Māori cultural advice

- Heritage sector funding
- A dog park at Foxes Island, Renwick
- The Linkwater Hall supper room.

Councillors also decided to accelerate the Youth Development Centre project some years ahead of schedule by contributing \$400k from Council Reserves. As Council owns the ex-CRT building, this means a significant saving on capital previously allocated to fund a new building, and this will benefit the Marlborough Youth Trust.

On the proposed rating policy changes, Councillors decided to:

- Remove the Rating Area Percentage targets for each Geographic Rating Area
- Request the Working Group preparing the 2021-31 Long Term Plan review the Geographic Rating Area boundaries, in particular the boundary between Picton Vicinity and General Rural
- Agree to provide rates remissions to Picton Vicinity ratepayers for a rates increase above 40% for three years, as contained in the Consultation Document.

Final decisions will be ratified at the Council meeting on 28 June, when rates for the coming financial year are levied.

New Picton Library and Service Centre officially opened

Picton's new multi-purpose library and service centre - Waitohi Whare Mātauranga was officially opened last week during a special ceremony that acknowledged the past and celebrated the future.

Speaking at the opening Mayor John Leggett said the contemporary library is not just a place for books, but a place to access online information and meet friends and neighbours.

"It's for readers and researchers, families and folk who need information about Council business and just about anything else. It's a gathering point for the community and a place which welcomes travellers and visitors to Picton," Mayor Leggett said.

Six year-old Grace Cooper from Waikawa Bay School and 10 year-old Vancouver Sio were on hand to help Mayor Leggett cut the ribbon to conclude the formal celebrations, before those who attended the opening were welcomed inside.

The new, modern building, located on Upper High Street, reflects the town's maritime history is more than double the size of the old library.

Waitohi Rugby Club

Saturday 2nd June 2018

Marlborough Rugby Sub Union Premier final: Waitohi vs Renwick.

A huge Thank You goes out to everyone that came to support the boys on Saturday or wished us well via messages. The Prem's were able to get up and play an outstanding 80 minutes of rugby to get the win over a very good and committed Renwick team. The Game was played at a frantic pace and was very, very physical by both teams. It was also refereed very well by Dave Woodhouse also celebrating his 100th Tasman Trophy match. On behalf of the club and the team we thank the sponsors and supporters for all they do for us. The 2018 Marlborough Premier Title is for the whole Picton Community and last but not least the Big Fella Bevan "Bear" Moody, this one's for you Champ, Fly high up there!

Waitohi Under 10s v Renwick U10s Curtain Raiser game at Lansdowne Park

Outstanding effort by all of the Waitohi boys at Lansdowne Park> It was their first ever run out on the field and they played with heaps of enthusiasm and as a team. It was a huge effort by all the boys taking the win 7-1 (or the scoreboard result 35-5). A big thank you to Renwick for a great competitive game. Players of the Day were Ocean Baker and Levi Wells (captain). The team got to form the guard of honour for the Premiers team who went on to win a great match 20-19. It was an awesome day for our Club - GO WAITOHI!!!

Saturday 9th June 2018

Picton Sportsworld Waitohi Yellow U6's: The U6's Yellow are working really well as a team, passing the ball quickly after rips and supporting each other. It is great to see Dougall making sure all the kids get a go at all parts of the game. Reid made a breakaway, with Nana running alongside, and scored his first try of the season. Player of the Day went to Thomas Woledge for showing great stamina and Kenzo Love who scored so many tries we lost count!

Picton Sportsworld Waitohi U6's (Black): After a very adrenaline fuelled match against Pelorus, Waitohi Black took home the win. A few awesome runs from Zac and Tama. There were plenty of tries and these kids are "pro rippers". Congratulations to this week's Player of the Day that went to Skyla Hillgrove and Tama Mataele

Merv Scott Decorating - Waitohi U7's: The U7's had such a cool game up against a great Moutere team that played a very quick game. Our Junior Rangers again were fantastic with their passing and are improving their line defence each week. Congratulations to Liam and Yana for an awesome game and earning Player of the Day.

Picton Motordrome Waitohi U8's: The U8's had a tough game against Harlequins, a game that they will have learned a lot from.

Waitohi Hi-Tech U9's: The U9's had an exciting try for try game against Harlequins Red, our team worked hard to keep the upper hand; unfortunately in the last 10 minutes Harlequins took the lead and kept it. Congratulations to Max Love who had a stunner of a game along with his first try of the season which earned him Player of the Day. Everything seemed to have just clicked for Lucas and also earned him Player of the Day. Good skills guys and a great effort team. The coaches and supporters are very very proud of you.

Waitohi U10's: U10's had a great game against a very strong Moutere Black team. The boys didn't win, though they played very well with a final score of 11-5. Congratulations to the Player of the Day - Liam Mana Healey and Tana Hill - big effort in tackling and making metres forwards and a well-deserved award for them both

Coventry Cars Waitohi Under 11's: U11's had a good team game against Moutere White who got the win today. Thank you to Moutere White for helping out your country cousins and loaning players to make it a 15 a side game, so all the players could have a decent run. Congratulations to our Player of the Day: Leilita Calthorpe, Vancouver Sio & Tyreece Te Pania. Well done.

Picton Fresh Choice U13's: U13's had an interesting encounter against Marist who got the win. A great feed for everyone was available afterwards. Thanks to the team for making it happen - awesome that we have the help of family and friends and the team to get it all set up, cooked, served and cleaned up - great work Under 13's.

Premiers: Although the premiers had a gutsy and hearty game, Marist took home the win today.

Senior As: Senior A's travelled to Renwick for their match, but unfortunately Renwick got the win.

Donations Appreciated

The Picton Resource Centre is a non-profit organisation supporting the community of Picton and each year we ask for support from community groups and businesses in the form of an annual donation. We suggest a small donation of \$35, though we welcome larger donations from those who feel able to provide it. Please be assured every donation is appreciated and helps to keep the centre operating. Because of the variants with funding from year to year the annual donations from local groups and businesses have played an important role in our continuous service. If you have not made a donation this year and would like to continue supporting us please get in touch by calling 03 573 7790 or email prcentre@xtra.co.nz. The committee of the Picton Resource Centre looks forward to your continuing support of the centre.
