**The Envirohub Marlborough has been open for 6 months now and it has been an exciting and rewarding time. There have been discussions and meetings, events and celebrations. More and more groups and people are getting involved in the collaborative, environmental scene here in Marlborough and we look forward to growing this even more.**

The Envirohub is a facility that unites, inspires and assists Marlborough youth, families and conservation groups to achieve their environmental goals. Why not come along and find out what you can do for the environment and what the Hub can do for you?

In case you haven't heard the news recently, New Zealand is currently drowning in its own plastic waste! Since China started refusing to take everyone else's rubbish, we are having to deal with it ourselves and New Zealand just isn't set-up to deal with the amount of rubbish its residents are creating. We all need to take steps to reduce our dependence on single-use plastics and luckily there are more and more easy ways in which we can do that!

We can help you make little changes in your every day life to tread more lightly. We have a range of environmentally conscious products for sale like reusable produce bags, bamboo toothbrushes, honey food wraps, keep cups and reusable bottles. Our range of products will be growing, and we are always keen to hear from people with ideas about new eco-gifts or products.

Keep your eyes open for more events at the Envirohub over the coming months. We will be participating in the Matariki celebrations and are planning other interesting talks and workshops.

Stop by the Hub to see what the awesome conservation groups in the area are up to and how you can participate. Whether you are interested in wildlife protection, replanting, pest control, waste reduction or conservation education, there is bound to be something that you can get involved in. Volunteering is a great way to meet new people, be more active and find something meaningful to do.

The Envirohub aims to be open every day except Saturday from 10am until 2pm. We depend on volunteers to staff the Hub during these hours and we are always looking for more volunteers to help. It's an easy job and a great chance to talk to a wide variety of people about environmental issues.

# Waikawa Bay School

## Pink Shirt Day at WBS!!!

We have been celebrating 'Bully Free NZ' week here at Waikawa Bay School. We started on Monday by going into all the classes and talking about what bullying is and what you can do if you are experiencing bullying. We know that bullying involves a miss-use of power in a relationship and is often deliberate and repeated. We also know that it is not a normal part of life and together we need to stand up and support each other.

Some of the activities the Student Leadership Group have been running include: art, crafts, games and colouring. On Friday we painted faces and encouraged everyone to wear pink to stand up together and stop bullying.

If you are experiencing bullying it is really important you talk to someone about it.

## Book Clubs

Book clubs are everywhere. They can be great fun, introducing you to new authors, unexpected places and themes. They are also the background to murder, romance, mayhem and true life stories - on the shelves:

## Looking for members for a new Book Discussion Group.

BookChat at the library – Bookchat is a friendly drop in session for anyone interested in books. Meetings are held monthly on the second Wednesday at 10.30 – 11.30am. It is very low key, we look at new and interesting books in the library, have a chat and a cuppa.

We are also hoping to develop a new Book Discussion Scheme book group, and would like to hear from people interesting in joining. The group will all read the same title and book discussion notes, then meet together to discuss the book they have read, possibly every second month for a start – depending on interest.

If you would like to be involved there will be a discussion at 11.30 Wednesday 13th June after the next BookChat meeting; or contact the library on 520 7493 or [pictonlibrary@marlborough.govt.nz](mailto:pictonlibrary@marlborough.govt.nz).

## Look out for oil spills

A spill recently in Picton Harbour is a timely reminder of the importance of reporting marine oil spills.

Harbour Master Luke Grogan said the streak of oil, from Shelley Beach to Mabel Island was likely from a ship's bilge, where fluids collect at the bottom of the boat. The oil spill resulted in a cubic metre of oil being removed from Picton Harbour.

Information relating to a spill is vital in the early stages. It's important that Council is advised about the size of the spill, whether it's spreading, and what sort of risk it poses. Regardless of the size of the boat, any vessel spilling fuel can pose a significant threat to the marine environment.

"The message is simple. If you see an oil spill please report it immediately. If we get to it early we can mitigate the damage," Luke says.

Call Marlborough District Council's 24-hour phone line 03 520 7400 to report any marine event.

## Picton gets its own weather station

Work is underway installing Picton's very own weather station. Construction has commenced with the placement of a pad for the instrument, located at the southern stopbank of Waitohi Domain, on Dublin St.

The site will monitor rainfall, wind speed and direction, air temperature, humidity and barometric pressure using equipment which complies with the National Environmental Monitoring Standards. Over the next couple of weeks, a security fence will be installed, followed by the installation of the windmast and other equipment.

The Picton and Marlborough Sounds Tourism Group brought the station proposal to Council last year. It is anticipated that the station could feed data to the Met Service for its national weather forecasting services and to help 'put Picton on the map', as well as provide rainfall figures to Council's hydrology monitoring programme.

It is hoped the site will be commissioned next month.

# Waitohi Rugby Club

## The Season Begins - 5th May

Saturday 5th May saw the start of the junior rugby season. Waitohi is represented by eight teams in the Marlborough/Tasman competition this season.

**Picton Sportsworld Waitohi Black U6s:** The U6's had a great first game with a win. It was excellent to see lots of support from parents and grandparents. Well done to everyone who did their best, but most of all had fun and their smiles said it all. Player of the Day was awarded to Riley Drummond and Blake Beattie.

**Picton Sportsworld Waitohi Yellow U6s:** What a great display of fun and enjoyment by both the supporters and the kids. Thank you to all the family members that came along and supported the kids on their first game of the season, and to be at home was a bonus. Player of the Day was awarded to Sam Richardson and Kingi Raj.

**Merv Scott decorating LTD Waitohi U7s:** U7's kicked off their season with big smiles and gave it their best. Loads of Rips were made, awesome passing to their pairs, fantastic defence and great tries. They can all be very proud of themselves for putting in a great effort. Player of the Day was awarded to Serenity Rangi, Ali Ivamy and Tyson Ogle-Turner. Well done Little Rangers and thank you to the super supportive whanau there to support them.

**Waitohi Picton Motordrome U8s:** The team started their first outing with a tacklebox session at Lansdowne Park, followed by a game against Harlequins. 25 minutes into the game Waitohi were up 7 tries to nil, so we switched players between teams which made the game interesting. The final score was 45 – 15.

**Picton Motordrome U9s:** Bye.

**Coventry Cars Waitohi U11s:** had their first game of the season on a full size field, against a well-conditioned Harlequins team who got the win. They showed some glimpses of brilliance during this match but have a bit of work to do, watch this space. Player of the Day was awarded to Vancouver Sio & Leilita Calthorpe.

**Picton Fresh Choice U13's:** Waitohi lost to Marist 12- 19. It was a huge effort by all of the team, they started short with 14 players and played their hearts out. Forward Player of the Day was awarded to Jake Andrell and Back Player of the Day was awarded to Maiah-Lily Miller. Choosing a player of the day was tough, all played with pride and passion. As well as some great attack the team had phenomenal defence and can all hold their heads up high. A big thanks to the family and friends, the team really appreciates you being there.

**Premiers & Senior A's:** Our premier and senior A teams started their competition 14th April. The latest game results for both teams is excellent, both picking up a win in their first home game of the season on the 28th April. The Senior A's had their first win of the season against Awatere 14-12. The Prem's made it 2 out of 3 for the season in another nail biter with a try after the full time whistle to defeat Central 35-30, to confirm them in the semi-finals of the Marlborough Sub Union Competition.

## 12th May 2018

**Picton Sportsworld Waitohi Yellow U6's:** Awesome game from the team with a draw playing against Pelorus in Havelock. The kids understand the game and trainings are paying off, lots of rips were made which is great for the second game of the season. Player of the Day was awarded to Zoe Cockerell and James Bennett

**Picton Sportsworld Waitohi U6's (Black):** Another awesome game for the team who beat Renwick 8-5. It was a wonderful team effort with lots of determination and hard work put in from all players. There were lots of turn overs made by our guys and then they were fantastic on defence making lots of rips. Player of the Day was awarded to Tommy Rothwell for all the awesome rips he made and Paige Aitchison for her outstanding tries. It was a great game to watch and an outstanding effort from all the players

**Merv Scott Decorating - Waitohi U7's:** The team headed out to Renwick to take on the green and whites at home. They played a great game of ripper rugby with awesome passing, running and defence. Such a great team effort with huge whanau support for the team. Player of the Day was awarded to Louis Tyrell who was wicked on defence with great rips and Hudson Metzger for running hard and straight and all with a massive smile. Well done team, another great fun game by the little Junior Rangers.

**Picton Motordrome Waitohi U8's:** The team played Renwick and again ran out to a big half lead and moved players to the Renwick team to try and even things up. Manu Mataele playing the second half for Renwick became Renwick's top scorer for the season. Shaydon Streeter the top scorer for Waitohi.

**Waitohi Hi-Tech U9's:** We are very proud of the effort our team put in, each and every one of them contributed to a very exciting 1st game of the season. We may have not got the win against Harlequins Black, however a 5-6 loss isn't too bad, after being down by 3 tries at 1 stage. Player of the Day was awarded to Connor & Ajani who gave 110%.

**Waitohi U10's:** The team played Renwick White. An awesome game, the boys stepped it up a notch from last week and it definitely showed coming away with a win 11-6. Player of the Day was awarded to Harlem Stammers and Ryan Quinn.

**Coventry Cars Waitohi Under 11's:** A magnificent team game was played which earned the win over Renwick 39-29. Try scorers were Jacob, Ben, Bayley, Tabyas, Leilita, and Vancouver. These wouldn't have happened without the hard work of all the team. Thank you also to our supporters who were O for Oarsome, and to Renwick for the change room and a good game. Player of the Day was awarded to Vancouver & Jacob.

**Picton Fresh Choice U13's:** It was a tough game against a well drilled Waimea Old Boys team; the end score was lost 71-21. The first half of the game was well played by both teams, unfortunately the score got away in the 2nd half for the Waitohi team. Forward Players of the Day was awarded to Riley Boothman and Back Player of the Day was awarded to Brayden Allen.

**Premiers:** It was a great day for the Premiers getting the win over East Coast 26-17 out at Car Horn Valley, and also getting and putting away for the rest of the season the Challenge Cup. Great game by the boys which resulted in them finishing 2nd overall and set to play Moutere in the 1st Semi-final, and Renwick(1st) playing East Coast(4th) in the 2nd Semi, at Landsdowne Park on Saturday 19th May.

**Senior As** had a bye.
